and charge to Exhibits Account

The two for postage ($3 and $6) may be made in
one check payable to me, $6.00 is for Gen'l Chairman
account and the $3.00 is for Pre-registration.

I talked to Ed Rochette on the telephone and he promised he would have an additional check for $500 mailed to me. As far as other monies as receipts that we will be receiving - we will receive $150 of the bourse fee in this account here. At present, this is being received into the ANA account, but will be transferred by the Treasurer to our account in San Diego. I told him I saw no need to transfer these large amounts until shortly before the convention, If you have different thoughts, let me know.

The next ANA committee meeting will be at 2:00 PM Sunday, April 7 at the El Cortez Hotel.
